PACKAGING GAZETTE

With a reputation of being the first place to source new products, Packaging Gazette is perfect for building brand awareness at a company's individual pace. Its fresh approach, in both design and editorial content, provides effective communication in a market that changes fast. Advertisers and readers alike can have confidence in our experience to match our product to the needs of the marketplace.

DISPLAY ADVERTISING

As a premier source of product information, Packaging Gazette develops strong relationships with its advertisers to provide strategic planning for a successful sales campaign, co-ordinating relevant editorial features alongside a sharp sales message. Through our pages, companies large and small can develop a brand profile and reach key decision makers throughout the market place.

EDITORIAL FEATURES LIST

Every issue includes our regular features in addition to the product features in the issue dates listed below. Our regular features include industry news, exhibition show guides and reviews, new products, interviews and much more.

Your customers are clicking with us

Every paid for entry is included free of charge in our digital edition

Packaging Gazette is also available online, showcasing the latest products, up to the minute news and topical features. By featuring your company on PackagingGazette.co.uk you can reach thousands of key decision makers every day. Every story on our site is tweeted to thousands of followers maximising your exposure.

YOUR ONLINE PRODUCT PROFILE PACKAGE INCLUDES:

- Your product profile will feature on the homepage for two weeks. Your feature will be seen on the homepage and every other page throughout the website.
- Your product profile may include unlimited wording, photography and can even include video, multimedia, web and email links.
- Your feature will be archived on our site permanently where it can be easily found through key words in our search bar. We also optimise your story with meta tags so it can be easily found through search engines.
- Your feature will be tweeted on our popular Twitter page so individuals on the Twitter network will be updated about your product

news too. (For latest follower statistics please see twitter.com/PackagingGazette)

- You'll gain additional exposure in our 'Most Popular' section if your feature is one of the five most-read pages on our site each day.
- Your story can be recommended and emailed by users of the site using our 'email this story function', ensuring you maximum exposure.
- By clicking on icons at the foot of your product profile, our site users can easily post your story on their social networking sites like Facebook, Digg, StumbleUpon, Readit, Technorati and more - sharing your news with the world!

ONLINE DIRECTORIES

Media One has a portfolio of online directories that allow our readers to access the supplier information they need quickly and effectively. www.packagingdirectory.co.uk provides users with a comprehensive online sourcebook of suppliers to the packaging and FMCG industry, all categorised according to product type. The search bar option enables users to quickly access suppliers known to them, creating a fast and efficient address book of product designs. The search bar can also be used to track down new and exciting brands, which allows for a world of discovery within the packaging sector. For just £250 for the year, your brand gains exposure to the industry you supply to. With each entry you will receive a brand logo, contact details, one image and between 50 and 100 words to detail your company and product offering.

ONLINE RATES:

Product Profile£130

Feature your product on the site's homepage for two weeks, stay archived and easily searchable on the site permanently (optimised for external search engines like Google) and feature on Twitter and other mainstream viral sites. *Unlimited text + up to 5 images.
